

Why support Bixby Basketball?

The Bixby Spartan Basketball Booster Club is a diverse group of volunteer parents focused on raising the resources necessary to support the student athletes at Bixby High School.

The hard work and dedication our students display every day develops future leaders, grows student spirit, and fosters civic pride in our community.

The Booster Club has developed a range of tax-deductible sponsorship opportunities, allowing you to show your support of the basketball program and ensure a direct return on your investment through visible marketing displays.

Please consider supporting the Bixby Spartan Basketball program and invest in the future success of our student athletes. Contact Andy Solomon at andy@challengerservices.com or 918-688-1423.
